THE CHEER + DANCE GLOBAL GAMES – HONOLULU, HAWAII

This event is more than a competition, it's a phenomenal cultural experience unlike any other cheer event in one of the most beautiful places on earth!

CheerExpo Nationals is proud to be awarding up to 5 Partial Paid Bids (\$7,000 CAD each) and 1 Paid Bid (\$10,000 CAD)!

5 Partial Paid Bids: \$7,000 CAD (\$350/athlete)

 To receive the full value of the bid, teams must stay on the **Global Games accommodation package** and have **20 athletes** staying. If less than 20 athletes staying the bid will be pro-rated based on the athlete number.

1 Fully Paid Bid: \$10,000 CAD (\$500/athlete)

 To receive the full value of the bid, teams must stay on the **Global Games accommodation package** and have **20 athletes** staying. If less than 20 athletes staying the bid will be pro-rated based on the athlete number.

Global Games Bid Terms & Conditions

1. Bid Value

- a. Applied as a **credit** toward accommodations and/or comp fee invoices.
- b. If fewer than 20 athletes attend, value is **pro-rated** per athlete.

2. Accommodation Requirement

- a. Athletes must book the **official Global Games accommodation package** to receive bid value.

3. Cash Option

- a. If not applied as invoice credit, bid value may be paid as **cash after attending** the event.

4. Athlete Substitution & Division Changes

- a. You may add, remove or substitute athletes.
- b. You may change divisions as long as you advise us in writing before 31 January (if deferring)

5. Promotional Use

- a. Any team videos or photos of the bid winning routine may be used for marketing.
- b. We may promote your team's attendance on social media and in advertising.

6. Non-Transferable

- a. Bids are valid only for the named program and athletes and cannot be transferred.

7. No-Show Forfeits Bid

- a. If the team does not attend, the bid is void and holds no cash or credit value.

Bids are flexible. Teams can add / remove athletes after receiving the bid. However, it is the individual **athlete** on that bid winning team that retains the bid privilege and it is not transferable to different athletes or teams. For example, if 2 athletes are removed and 2 *new* athletes are added to a 20-person team (assuming a Partial Paid bid of \$7000 CAD), the value of the bid would now be \$6300 calculated this way: \$7000 - (\$350 x 2).

Each bid is attributable to one team only. Crossover fees may be applied if extra teams (without a bid) attend. If you split the original athletes between two teams, only 1 of the teams may claim the bid amount, and for the original athletes only.

If a bid is deferred to 2027, the team can use it for whatever division they wish to enter, however, only the athletes that earned the bid will retain the value of the bid.

Please note that if you do not submit an Opt-in Form for your team(s), this is considered a formal DECLINE of the bids. This means that your team WILL NOT BE AWARDED A BID; EVEN IF THEY DESERVE ONE. You will be passed over. Opt-in forms will be sent 1 month prior to CheerExpo to all registered programs
